

HP iPAQ Pocket PC h4150

Slim, sleek, and affordable with optimised performance to keep you productive on the go

Even at such a small size, the HP iPAQ Pocket PC h4150 is a Windows Mobile™-based Pocket PC packed full of powerful features including integrated WLAN 802.11b, Bluetooth™, and Secure Digital (SDIO) slot¹.

Proven wireless capabilities and security allow you to stay connected and protected in or out of the office

- Integrated WLAN 802.11b
 - Enables high speed wireless access to the internet, email, corporate data and solutions such as voice over IP¹
 - WLAN and Bluetooth can also be used at the same time with no interference
 - Connect at the office, home, or WLAN hotspots (even your local coffee shop)¹
 - Create personal networks using peer-to-peer communication with another WLAN-enabled device for collaboration and information sharing¹
 - Internal antenna
- Integrated Bluetooth for wireless communication with other Bluetooth devices
 - Access the Internet¹ or your email via a Bluetooth enabled mobile phone²
 - Print to a Bluetooth equipped printer
 - Exchange business cards, calendar appointments, documents, and more with other Bluetooth devices²
 - Wirelessly synchronise data with your Bluetooth desktop or notebook PC using ActiveSync

- Enhanced security protection for your device, information and connection

- VPN software provides enhanced security for wireless connection¹
- 64-bit and 128-bit WEP offers enhanced security for an authorised connection and data transfer when connected wirelessly
- F-Secure FileCrypto Data Encryption provides protection against unwanted data disclosure
- Support for LEAP, WEP and 802.1x

Achieve greater productivity with reliable technology

- Removable/rechargeable Lithium-Ion battery for continuous power
 - 1000 mAh battery comes standard
 - Optional extended 1800 mAh battery allows your HP iPAQ Pocket PC to keep running longer²
- Secure Digital slot for greater storage and expansion
 - Allows you to easily transfer and store music, multimedia files, special programs, and more onto Secure Digital memory cards²
 - Allows you to easily expand your storage capacity and bring your important documents with you

At an outstanding value, the HP iPAQ Pocket PC h4150 has a slim, sleek design that allows you to stay connected at work, at home, or on the go.
