Why choose HP?

Total Solutions

The HP Notebooks come with world-class global services and solutions, to simplify and support your IT needs. All notebooks can be configured to your specific needs.

Light and thin

Weighing as little as 5.5lbs/2.5kg and as thin as 1.38-inch (35.2mm), HP nx5000 is the perfect productivity unit for the truly mobile professionals. You can be on the move up to 9 hours without having to recharge your battery.

Wireless Solutions

Integrated Intel PRO/Wireless 802.11b LAN

Industry standard 802.11b solution with up to 11Mbps throughput performance enables fast network connection. It also offers you the freedom to work and play without a phone jack, network cable or plugging in a PC card.

Integrated HP W 500 802.11a/b/g (Optional)

HP W500 802.11 a/b/g gives you tri-mode flexibility with performance (54g) and superior range and more bandwidth (54a) for more users.

Integrated Bluetooth module (Optional)

This module combines the radio and antenna into one tiny package that is embedded into the system. It allows you to wirelessly synchronise and share data between PDAs, mobile phones and Bluetooth-enabled printers.

Accessories

A full range of accessories is available, including but not limited to the following:

Mobile accessories

- **Basic port replicator** (part number DC367B#UUF)

This enables you to easily connect a monitor, keyboard, mouse and other devices such as an external MultiBay.

- **Advanced port replicator** (part number DC366B#UUF)

To deliver desktop functionality, the advanced port replicator includes two integrated MultiBay slots for extra access to devices such as hard drives and optical drives.

- **Second battery**

- 8-cell Lithium-Ion battery, 4.4Ahr and Smart Battery technology (part number DG105A)
- MultiBay 8-cell Lithium-Ion 3.6Ahr battery (part number DC889A)

- **Additional memory**

(part number 256MB DC388B/512MB DC389B/1024MB DC390B)

Additional memory increases notebook performance and productivity for memory-intensive applications.

- **5GB PC Card hard disk drive** (part number DF928A)

Increase storage capacity and portability with this high-capacity PC Card Type II compliant hard disk drive.

Backed by HP services

HP has always been known for its quality of service, integrity, motivation, flexibility, commitment and expertise – and has a proven track record in long-term technology and solutions advice. When it comes to increasing business agility, reducing costs, expanding or optimising enterprise assets, and keeping IT up and running, HP Services are the experts.
