Xporter X550 32GB USB 3.2 GEN 1 Swing Type-A+C

The Xporter X550 USB 3.2 GEN 1 is a new USB created to make both your work life and creative life as easy as possible! All videos, audio, and data can be transferred at faster speeds thanks to the USB Type-C and USB A dual interface, allowing you to store, share, and move anything from business files to content creation with ease. As a dual-purpose flash drive, transfers are available between USB Type-C smartphones and tablets, as well as Macs and all USB Type-A computers. It also allows all iPhone 15 compatible iPhone and iPad recordings to be transferred directly to the Xporter X550 without using any of the iPhone or iPad's memory, freeing up extra space on several types of devices and letting you continue to work on new projects without running out of storage.

To ensure that your data will be kept secure, the Xporter X550 is not only backed with a 2-year warranty but is also designed with a key ring and connector protection, making it safe and portable. Enhance your devices and keep all large audio files, videos, and data safe and easily accessible by using the Xporter X550!
